Subject

Letter no 117 dated the 6th November '09 from the President of the Municipal Commission, Bangalore City, regarding the conversion of the bed of the Dharmambudi Tank into a recreation ground for the City.

The question of acquiring a piece of land to the south of the Municipal garden in the City for the purpose of adding it on to that garden having been placed before the Board for consideration, the Commissioners resolved that it was not necessary as the money required therefor could be better spent in making the Dharmambudi Tank bed into a recreation ground.

2 In submitting

of the Board's resolution the President states that the bank rapidly falls away and is an eyesore to the entrance of the town from the Railway Station, & that if the bed is carefully laid out with a good sized walking ghat in the middle or towards the lower end, it would make an excellent recreation ground for the city people serving all the necessary purposes, more that thereby the water has been laid on to the city. He adds that the Municipality is at present unable to afford funds for this work but that if any charitably disposed person comes forward to grant money the improvement may bear his name

Submitted for orders

Aug 24/11/03 -

The proposition before the Board was about the acquisition of a plot of ground to the South of the Municipal garden, & lying

because that a few of the
Municipal Commissioners
present took this up as a side
question and remarked that
the acquisition of the land
referred to in the proposition that
is not necessary "as the balance
money could be better spent
in making the present Shannon
Dankbed into a recreation ground
for the city" the President ought
not to have sent up this Special
reference for the orders of Govt.
If the proposal is to convert
the Dankbed into a recreation
ground, which is of doubtful
expediency, a clear proposition should
be placed before the Board &
a resolution arrived at. If
approved, the President may
be informed accordingly.

Sd/- for orders.

This seems to be a stroke of sly humour on the part of the President & the Members - to send up this resolution this year when the tank is full to overflowing. The President may perhaps be informed that the Govt, while appreciating this humour, do not consider that any action in this direction is needed — Submitted for orders — with a draft.

The Dewan through the Judl. Councilor

Rel: 1

From

THE PRESIDENT,
Municipal Commission,
Bangalore City.

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
General & Revenue Departments,
Bangalore.

Sir,

I have the honor to submit herewith for the consideration and orders of Government copy of Board's resolution dated the 22nd ultimo regarding the conversion of the bed of the Dharmambudy tank into a recreation ground for the City. The tank rarely fills now and is an eyesore to the entrance of the town from the Railway Station. But if the bed is carefully laid out with a good sized bathing ghat in the middle or towards

the lower end it would make, an excellent recreation ground for the City people and serve all the necessary purposes, now that Hessorghatta water has been laid on to the City

The Municipality is at present unable to afford funds for this work, but if any Charitably disposed person comes forward to grant money I would propose that the improvement may bear his name.

I have the honor to be

Sir,

Your most obedient Servant,

[illegible]
